Network

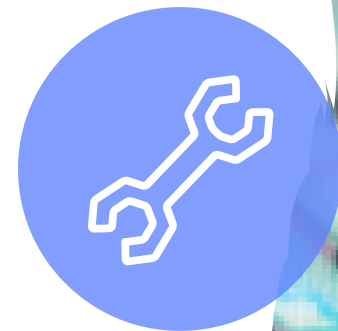

# WHY SILICON VALLEY?

Get a taste of the state-of-art education that the **prestigious universities** in Northern California have to offer.

Immerse yourself in the culture of **innovation** and **collaboration**.

Enjoy the riches of **diverse cultures** - from food to arts.

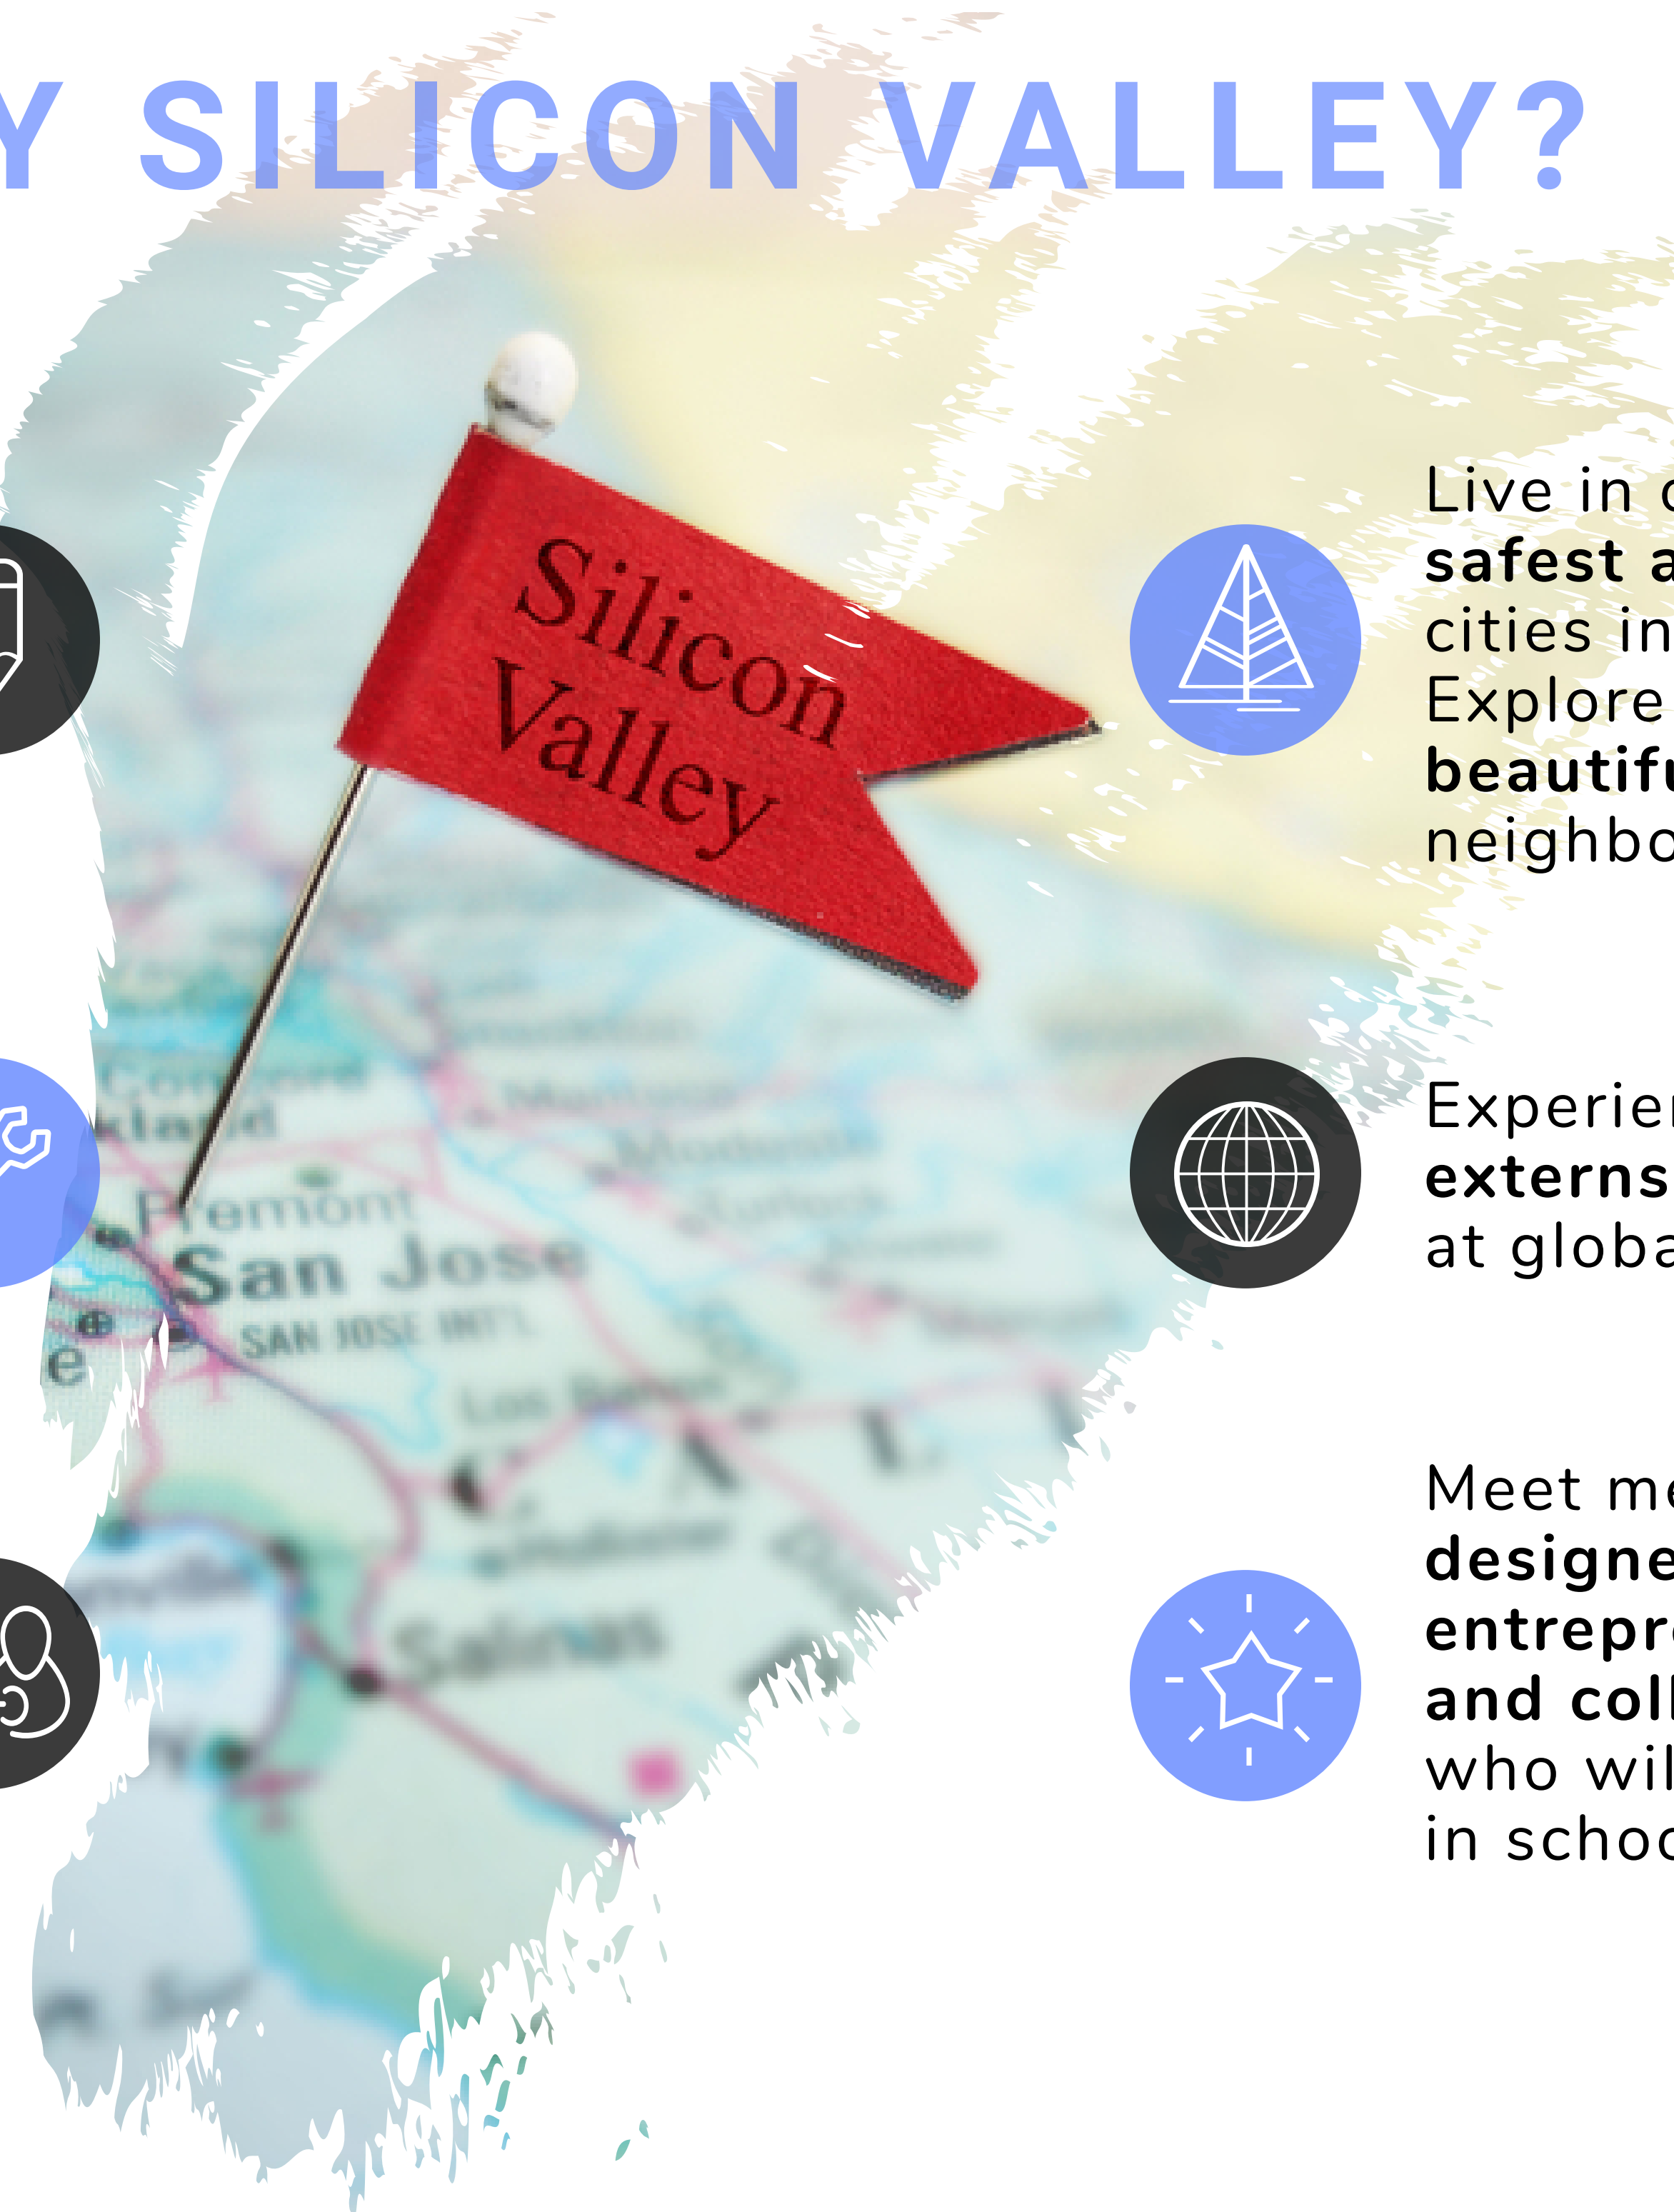

Live in one of the **safest and cleanest** cities in the world. Explore and hike up **beautiful trails** in the neighborhood.

Experience unique **externship opportunities** at global companies.

Meet mentors-**engineers, designers, lawyers, entrepreneurs, doctors, and college professors** - who will help you excel in school and beyond.

# GAP SEMESTER PROGRAM

## Steps to making the best learning experience

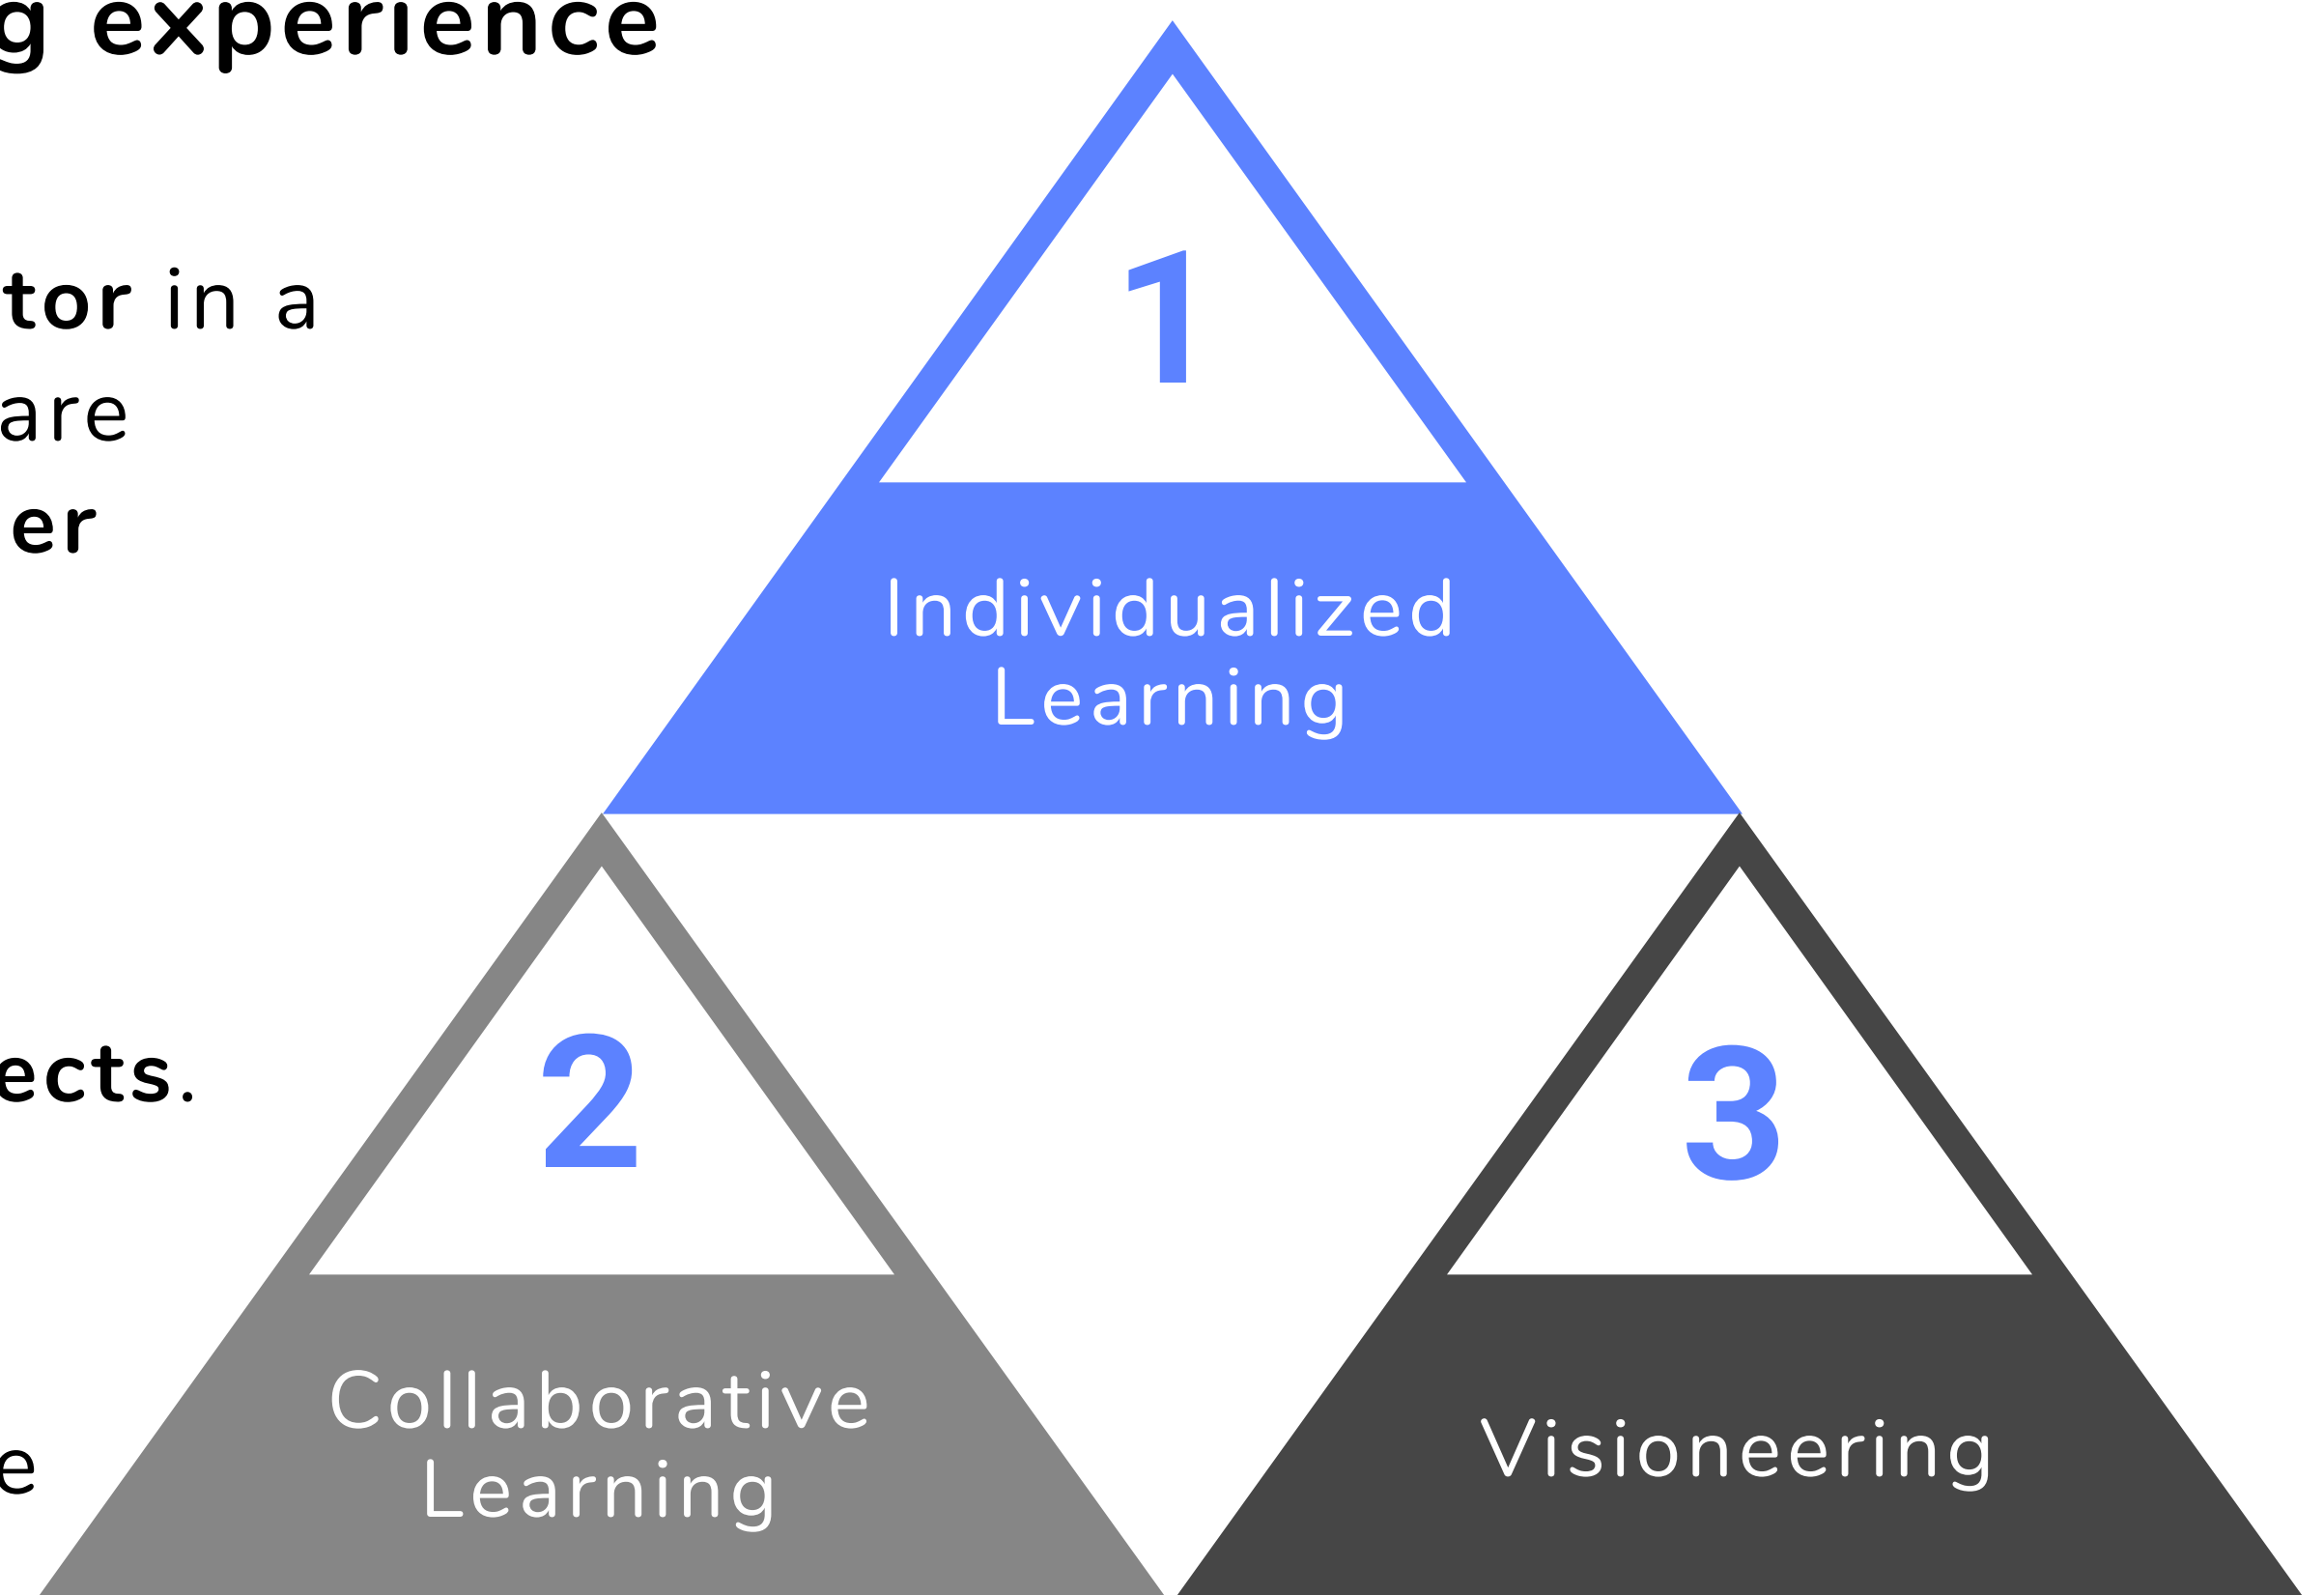

Study with peers and a **facilitator** in a classroom; except each of you are studying with a different **teacher online!**

Learn real **skills** such as entrepreneurship, coding, and leadership through **group projects**.

Meet with your visioneer who helps you discover, pursue and achieve your **vision** with practical **action plans**.
