

#1 HIGH SCHOOL
ENTREPRENEURSHIP PROGRAM

GATSVI Gifted And Talented
Silicon Valley Innovators
SUMMER PROGRAM

2019
SUMMER

Stanford University
UC Berkeley
Menlo College
Google
Apple

Do you know what
most billionaires
have in common?

"They started a **business venture** before college."

Why Start a **Venture** before College?

Starting your entrepreneurship journey in high school is not only rewarding, but also hugely beneficial for getting admitted into the top college of your choice.

- Improve confidence level and communication skills
- Enhance your college application and scholarship
- Clarify your direction and goals for lifetime success

Program Highlights

Launch and pitch a business
in Silicon Valley
before starting college

MICRO DEGREE

High school credit;
Certificates from
Stanford University
and UC professors

REAL COMPANIES

Start a real company
with other young
entrepreneurs from
all over the globe

REAL INVESTORS

Pitch in front of real
investors with your
team and get
actual funding

Certificate in Entrepreneurship

Receive high school transcript and credit + online badge + university certificate

Pre-session: Online

Planning & Prepping

- Entrepreneurship lectures sourced from elite universities, like MIT and Stanford University
- Reading assignments, missions, discussions boards, and quizzes

In-session: On-Site

Launching & Pitching

- Classes at Stanford University, UC Berkeley, and Menlo College
- Insider access to Silicon Valley's most valuable companies
- Participation at GATSVI venture competition

Post-session: On-Demand

Mentoring & Developing

- Assignments and missions to help continue building company or putting together a portfolio for college
- Business plan writing and submission of final pitch deck

Silicon Valley Life

Get the most out of living in the world's most innovative place

Insider Access

Take classes at Apple's "Spaceship", eat lunch at Google's cafeteria, hang out with executives from Udacity, just to name a few.

Learn from the Best

Meet and learn from Silicon Valley's top minds and experts - designers, lawyers, engineers, poets, professional translators, doctors, college professors, and CEOs.

Recommendation Letter

Enjoy 1:1 mentorship with Silicon Valley professionals. Build a real relationship with your mentors and ask for a letter of recommendation.

University Life

Enjoy benefits from not one,
but multiple prestigious schools'
education and environment

Stanford University

Take classes at one of the most innovative schools in the US.
Learn about design thinking, computer science, and innovation.

University of California, Berkeley

Take a tour of #1 public university in Northern California.
Learn about sustainability and innovation from UC Berkeley professors.

Menlo College

Enjoy the exclusive college campus located in Atherton, the richest, safest town in the US, where Eric Schmidt (Google), Sheryl Sandberg (Facebook) and many Silicon Valley's top executives live.
